Hutchinson is also home to “Heart of Hutch” which is an organization focused on keeping people active and helping them make healthy choices. With 38 parks, there is room to move, stretch, and relax.

You can easily spend the day looking for that perfect “something!” Come downtown for the quaint specialty shops, or drive a mile south for your choice of the mall or several larger retailers.

**3 Arts and Culture** – You’re here for the experience, right? All these options and more are in Hutchinson, or just minutes away.

**4 History** – Hutchinson is rich in history, dating back to 1855 when the Hutchinson Brothers founded our town. From the harmonious sounds of the Hutchinson Brothers singing and businesses that have served the community for over 100 years; to the more somber side, the inglorious death of Chief Little Crow, who is commemorated by both the name of the river that runs through Hutchinson and by a bronze statue beside the Main Street Bridge, Hutchinson has much to offer those who are fascinated by history.

## Historic Hutchinson Walking Tour

This bricks-and-mortar tour can be walked or driven. Local properties of historic significance are labeled with Historic Hutchinson's red and gold customized signs. Here are some tour highlights.

### 1. Harrington-Merrill House – 225 Washington Ave. W

This home is one of the earliest examples of Greek Revival architecture in McLeod County. This home is now listed as the oldest building in Hutchinson.

### 2. State Theatre – 25 Washington Ave. E

The State Theatre opened in all its glory in 1937. The theater was designed in an Art Deco style popular during the 1920s and '30s. After sitting abandoned for several years, it reopened in 2005 after 19 months of restoration.

### 3. Great Northern Depot – 25 Adams St. SE

Completed in 1887 by the St. Paul, Minneapolis and Manitoba Railway Co., this depot later became part of the legendary James J. Hill's Great Northern railroad empire. The structure has survived two major fires – the first in the 1890s and the most recent in 2000.

### 4. Hutchinson Public Library – 50 Hassan St. SE

In 1903, Hutchinson was offered a \$10,000 gift by Andrew Carnegie to build a library. The new library was dedicated in 1904 and in 1977 it was listed in the National Registry of Historic Places.

### 5. St. John's Episcopal Church – Hassan St. and 2nd Ave. SE

David A. Adams gave the lot on Hassan Street to the Episcopal Diocese in St. Paul, MN, so the church could be built. The original siding made of hand-cut wood shingles still exists as it was built in 1892.

### 6. United States Post Office – 245 Main St. S

The Hutchinson Post Office was dedicated in 1940. Inside the lobby is a mural painted in 1942 by Elsa Jemme.

### 7. Adams and Quast House – 406 Main St. S

The D.A. Adams home is a copy of the Duke of Norfolk's house. The stone foundation was laid in 1901.

### 8. Merton S. Goodnow House – 446 Main St. S

Built in 1913, this home was placed on the National Register of Historic Places in 1985 because of its prairie-style architecture.

The Historic Homes listed above are numbered in walking order from North to South on the map to the left.
