

FARM FATIGUE
"Buckets of Thanks"
EVENT

Show your **THANKS** to the
 McLeod County Farmers
 by Participating in the
18th Annual Farm Fatigue
"Buckets of Thanks" Event

The Glencoe & Hutchinson Area Chambers of Commerce
 are again joining forces to host this event.

Farm Fatigue Bucket
Food, Health & Safety
 Items Preferred

Each fall our Agri-Business Committees gather donations of food, wellness, and safety items from Chamber Members. The donated items are packed and hand delivered to the local farmers out in the field during harvest time. These items have been sincerely appreciated by the farmers.

This program has proven to be a valuable tool; letting the area farmers know they are an important part of our community and economy. In continuing with this collaborative effort, we are again hoping to prepare and deliver 300 buckets.

We are, once again, offering a variety of donation options. You may choose to donate items, in quantities of either 150 or 300, or you may choose to donate \$100 (or any other amount) to go toward the purchase of items.

Buckets are delivered throughout McLeod County.
