

December Business Visit

The December business visit was to Welcome Julie Rose, Electrologist and her business, ***A Smooth You Electrolysis*** to Hutchinson. Julie is located on the main level of Urban Hair Studio in Hutchinson. Electrolysis safely and permanently removes all types of hair from all skin types and all body areas. This process permanently destroys the growth cells of the hair follicle, preventing treated hairs from growing back!

Julie does FREE consultations and provides safe and private treatment.

Contact her today for all your hair removal needs
