

July Business of the Month

Congratulations to ACE Hardware and Dave Kramer. Dave is always willing to go above and beyond for all of his customers!

As our local Ace Hardware, they are one of 5,000+ Ace stores locally owned and operated across the globe. But they are not just about numbers. Dave and his staff are about helping neighbors, because each one of their stores is a part of our community. Each employee is committed to being "the Helpful Place" by offering their customers personal service, quality products and a convenient shopping experience from the local experts who know us best. As the helpful hardware folks in our neighborhood, they promise that helping us is the most important thing they have to do each day.

What does ACE Hardware Enjoy about being a member of the Chamber?

"The Staff at the Chamber is always so helpful. They are very good at answering questions and if they don't know the answer, they will find out. The Chamber is a wonderful promoter of our great community. They make sure the members are aware of different opportunities and events that are happening in Hutchinson. Being a Chamber member, I appreciate how they send customers our way when someone calls to ask about the services my business provides!
