

# EVERYTHING CLOUD

Every day the cloud is helping businesses, schools, and government agencies be more competitive, efficient, and reduce overall IT Costs. Are you and your organization leveraging the cloud to it's fullest?

Find out by joining Connecting Point in April for this exciting and complimentary one day event. You'll hear from industry experts from across the nation on how the cloud can help you do more. You'll hear about how products and services from companies such as Barracuda, Polycom, and Microsoft are helping organizations collaborate, secure and improve efficiency of deploying and managing IT resources.

## **EVENT LOCATIONS:**

Bismarck | Brookings | Hutchinson

A DIVISION OF ULTRA, INC.
