Manufacturing in the Park

Friday, July 27, 2018 11am-2pm. Library Square Park, Hutchinson

SHARING MANUFACTURING AND EDUCATION WITH THE COMMUNITY

GOAL: Get manufacturers, educators, and related organizations out in the public to start conversations regarding what they do, who they are, and who they're looking for.

INVITATION: Take this great opportunity to have an interactive afternoon with McLeod County community members. Each organization invited is encouraged to plan an interactive activity or display.

DETAILS: Manufacturing in the Park coincides with Picnic in the Park and Hutchinson Crazy Days. MANY people attend the picnic, and in 2017 we hosted several daycares and young families! There is no cost to participate and the event is free to the public.

Last year was a great day filled with smiles from everyone.

What more could you ask for on a summer day?!

Plan your fun activity or display and join us in 2018!
