*Not available in all areas. Service is subject to service terms and conditions. Promotional price does not include one-time installation fee of \$99, taxes, fees or other charges. Mediacom Internet is required. After the 36-month period, monthly service fee will go to standard rate (currently \$34.99, subject to change). Touchscreen and router must be returned to Mediacom. Equipment Packages may be purchased for an additional cost which may be paid at once or paid over the course of 36 months; if Service is terminated prior to the end of 36 months, the remaining pro-rata amount for the Equipment Package is due. Individual equipment is available for purchase. Dealer may change, add or substitute any of the equipment and may change the price of equipment at any time. Subscriber is responsible for determining the types and locations of equipment that best meet subscriber's needs, is not relying on Mediacom's skill or judgment in making this determination, and Mediacom cannot accept any responsibility for subscriber's choices. Monitoring services may be subcontracted. Local permitting fees may be required. Remote video access requires purchase of additional equipment. Remote access not available on all smartphones.
