Employment Based Drug/Alcohol Screening

Now provided by Hutchinson Health Laboratory

On May 13, 2019, Hutchinson Health will be offering Occupational Laboratory Services.

Trust your workforce to our laboratory professionals. Our job is to make yours easier, reduce risk for your company, and assist with regulatory compliance.

Hutchinson Health is now directly providing these services:

- DOT, Federal, and Non-DOT urine collection services
- DOT and Non-DOT Breathalyzer testing
- Rapid Screen On-Site Testing with follow up positive confirmation
- Saliva Drug Screen Testing to decrease the possibility of adulterant interference
- 24 hour Post-Accident Collection Services

Hours of Availability:

Monday -Friday: 7 am to 5 pm
Post Accident Collections: 24 hours/365 days

Scheduling:

Please Contact the Occupational Lab Services Coordinator at 320-484-4723 for any questions or scheduling needs.
