

Hutchinson Public Schools

Excellence in Academics, Activities, and Character

American Education Week

November 16 - 20, 2020

#aew2020 | www.nea.org

As our staff celebrate American Education Week,
we also want to celebrate YOU
for supporting our community's children and educators,
especially during this unconventional school year.

Thank You! Thank You! Thank You!

**Your support as a local business owner,
employer and parent is appreciated.**

We invite you to reflect about the educators in your life,
whether past or present, and let them know how important they are to you.

Additional information about showing your Tiger Pride is linked below.
