

Pass the Pumpkin

We are trying something NEW 😊 We sometimes forget how easy it is to show our appreciation, even in just the smallest ways. So, in this Holiday Season, that is sometimes hard for people, let's spread some joy and appreciation for all the things, BIG, small and in between.

This is a very easy thing to do, when you receive it, you have **ONE** day to take a photo of the pumpkin (we want to see your creativity, so start thinking) and share on your social media one thing you are Thankful for as a Business!

(If you don't have social media, email the photo to us, support@explorehutchins.com and we will post for you) You will then choose from the accompanying member list, the next business to pass it to and cross YOUR name off!

Make sure you use the Hashtag #passthePumpkinHutchinson23 and Tag the Chamber in your post! This will not only help bring more traffic to your social media pages, but it will also spread joy abundant!

If you need help delivering the Pumpkin to the next business,

please give us a call!

320-587-5252

We hope you ALL know how very

Thankful and Grateful

we are for each one of you!
