What You Need to Know

2024

Mural Design:

- Must be positive and uplifting
- Can be historic, nature, Hutchinson centric, abstract
- Can be interactive (people can impose themselves as part of the mural ie: butterfly wings) or static
- Can include words or messages. Quotes or poems must include proper author recognition
- Design cannot contain copyrighted material, logos, or advertisements
- Cannot be considered racist, menacing, political, or include foul language

Responsibility of the Artist:

- Create a positive mural design, which can be created in any size on a building or portion of a building, ie door, inlet, around a window, etc.
- Help paint the piece as a single artist or with community help
- Complete the mural within 45 days of start of work
- Final mural must match the design submitted
- Follow all guiding steps including prep work and finishing for protection of art and building

Responsibility of pARTicipate Hutchinson Project:

- Provide classes for muralists and aspiring muralists
- Provide primer, paint, sealer, brushes and other tools needed to prepare the space and create the mural
- Match murals with available buildings/owners
- When necessary, provide backdrop for murals being attached to buildings rather than painted directly onto space.
- Ensure all murals match submitted designs, and meet the mission of this project, and submit accepted designs to the Hutchinson Public Arts Commission for review and approval.
- Provide all building owners with a legal contract for the use, ownership, and maintenance of said murals
- Use murals as marketing material for Hutchinson residents and visitors

:

While your design may be on a building, the final mural will be property of the building owner(s).

- Your Design Application should be accompanied with a photo or rendering of your mural design. One Design per application. You may enter more than one design application.
- Please include a narrative with any special messages, meaning, or explanations you'd like to share about your design.
